**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 21**

JOHN ADAMS

AGE: 50

OCCUPATION: Civil Attorney

In the unprecedented write-in campaign for this judicial office, I was the voter's top choice. Thanks Orange County.

I'm also law enforcement's choice. I'll be a tough, fair, no-nonsense judge who supports Law and Order, Victim's Rights, Three Strikes, and the Death Penalty. I'm honored to be endorsed by Sheriff Mike Carona and District Attorney Tony Rackauckus.

I'm an experienced attorney, graduate of Stanford Law School and Superior Court Judge Pro Tem. With maturity, skills and the judicial temperament to make sound decisions, I'll work long hours for taxpayers to see that justice is done.

I'm also endorsed by:

Congressmen Cox, Issa, Rohrabacher and Royce.
State Senators Ackerman, Johnson and Morrow.
Assembly Members Bates, Campbell, Daucher and Maddox.
Supervisors Silva, Smith, Spitzer and Wilson.
Mayors and City Council Members.

Anaheim Police Officers Association, Latino Peace Officers Association,
Orange County Professional Fire Fighters Association.
Conservative Women's Leadership Association,
COPE (AFL-CIO Unions)

I also have extensive business experience. I've founded companies, created jobs and met payrolls. I'll bring wisdom and judgment from "real world" experience in both law and business to every decision I make.

I'm a community leader, husband, father and church member. I'd be honored to receive your vote.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 21**

GAY SANDOVAL

AGE: 50

OCCUPATION: Former Deputy District Attorney

As a Deputy District Attorney for 10 years, I held the hands of molested children and walked them to the witness stand. I assured them that the judge and I would protect them as they testified about how they were victimized. I prosecuted felonies and misdemeanors, child molesters and abusers, and put criminals behind bars.

I started the write-in campaign for Office No. 21, so that there would be no automatic re-election without a name even appearing on the primary ballot.

I have 12 years experience as a lawyer who represents small business owners and as a Judge Pro-Tem. After 22 years as a trial lawyer, I know the courts and the law.

I teach Drug and Alcohol Awareness at Orange Coast College. I was a PTA President, coach, newspaper columnist and raised Guide Dogs. Joe and I have been married 29 years. I grew up in Orange County and we have raised our children here. Maggie attends Stanford and Celinda graduates from high school soon.

The Association of Orange County Deputy District Attorneys, police associations, police chiefs, and judges support me. For endorsements and more about my background, go to www.SandovalforJudge.com.

Vote for Gay Sandoval for your family's sake.

**JUDGE OF THE SUPERIOR COURT

KELLY ANN MACEACHERN

OCCUPATION: Deputy District Attorney, Orange County

Tough - Fair - Supported by Law Enforcement.

For 21 years I've protected our community as a Deputy District Attorney. I've prosecuted hundreds of serious felonies including rape, child molestation, family violence, drugs and gang terrorism. I'm proud of taking violent criminals off the streets, sending them to prison, and being named the association of Orange County Deputy District Attorneys "Outstanding Prosecutor" panel.

Crime victims, police chiefs, cops on the street, elected officials, news media, Republicans and Democrats are behind my candidacy.

Over 75 superior court judges and commissioners urge you to vote for me because they know I'll be a tough, fair, ethical, no-nonsense judge.

My endorsements include:

Former Governor George Deukmejian
District Attorney Tony Rackauckas
Sheriff Lee Baca
The Los Angeles Times
Congresswoman Loretta Sanchez
Congressmen Ed Royce, Dana Rohrabacher
Senators Joe Dunn, Ross Johnson, Dick Ackerman, Bill Morrow, John Lewis (ret.)

Frank Barbaro, Chair, Orange County Democratic Party
Supervisors Todd Spitzer, Tom Wilson, Cynthia Coad, and Chris Norby
Central Labor Council (AFL-CIO Labor Unions)
Santa Ana Police Chief Paul Walters
Costa Mesa Police Chief Dave Snowden
Irvine Police Chief Charles Brobeck (ret.)
California Organization of Police and Sheriffs (COPS)
Cypress Police Officers Association
Latino Peace Officers Association
Citizens for Law and Order
Citizens against Violent Crime

The 6,000 member Orange County Bar Association, which evaluates judicial candidates, publicly recognized my qualifications to serve as a Superior Court Judge. The Los Angeles Times endorses me and states She would be fair and impartial. We strongly support her election.

My positions are straightforward: Three Strikes for serious and violent criminals; enforcement of the death penalty, long prison sentences for rapists and child molesters, treatment for drug users but prison for drug dealers, protect Victims' Rights, and give the taxpayers a full day's work every single day.

I grew up in Southern California and graduated from UCLA. I've been married 23 years and live with my husband and children in Orange County where I volunteer with my church, AYSO, Lions Club, PTA and Little League. I'm a Board Member of the National Council on Alcoholism and Drug Dependency, and strongly support community alcohol/drug treatment programs.

The safety of our neighborhoods and schools is my highest priority. Please allow me to continue serving you by electing me as your Superior Court judge.

Thank you.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 22**

VICKIE ANN BRIDGMAN

AGE: 47

OCCUPATION: Deputy District Attorney

Dear Voter,

I came in first in the March primary with 46.6% of the vote because the people of Orange County know that I will be a fair judge, committed to upholding the law and protecting our communities. Judge Donald MacIntyre, a great jurist and combat decorated Vietnam Veteran, endorsed me to fill this judgeship upon his retirement for these reasons.

As a Deputy District Attorney I have earned the support of law enforcement and community leaders, such as our nationally respected Sheriff Mike Carona; Chris Kralick, President of the Orange County Attorneys Association, and Vice President of the California Prosecutors Association; Pete Pierce and Carol Henson, leaders in the Association of Orange County Deputy District Attorneys; and numerous police, firefighters, judges, and elected officials.

I have been through the court system twice as a victim. As a child, I experienced the horror of being molested. As a mother, my heart was broken when a careless driver killed my precious son. I am a leader in the Compassionate Friends, an organization that assists families that have lost children. Victims' rights crusader and "Three Strikes" author, Mike Reynolds, former State Senator, Marian Bergeson, author of the "One Strike" law for violent sexual offenders, and Crime Victims United of California endorse me because I strongly support and understand victims' rights issues. I support the death penalty.

My community activities include serving as President of two Bar Associations, Mothers Against Drunk Driving, the March of Dimes, the Society to Prevent Blindness, and President of Drive S.A.F.E., a non-profit organization that sponsors safe driving assemblies in high schools. My work with the Automobile Club of Southern California helped enact the graduated drivers license program resulting in a 40% drop in deaths and injuries among teenagers from car crashes in California.

My working class parents instilled in me a strong work ethic, American values and good citizenship. I worked to put myself through Cal State Fullerton. I attended law school on a scholarship, graduating as Valedictorian and first in a class of over 300.

I have a strong record of protecting our neighborhoods. My prosecutions include gang members, drug peddlers, rapists and robbers. I am currently among a select few deputies assigned to prosecute white-collar crime cases.

I have worked, worshipped and raised my family in Orange County. I will be a hardworking, ethical and commonsense judge. I respectfully request your vote.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 27**

GLENDA SANDERS

OCCUPATION: Trial Attorney/Law Professor

Why should you vote for me?

Not just because Sheriff Mike Carona, District Attorney Tony Rackauckas, and the Orange County Professional Firefighters endorse me.

Not just because the Orange County Bar Association has given me its top rating of "Highly Qualified."

Not just because Judge Robert Monarch has retired from this Office No. 27 and has endorsed me as his successor, or because dozens of other judges, including Assistant Presiding Judge David McEachen, Judge Nho Trong Nguyen, and Judge Stuart Waldrip (Ret.), are united behind my candidacy.

Not just because the L.A. Times concluded in March that "... Sanders is the most impressive candidate seeking a seat on the Superior Court Bench in Orange County this election and should be an outstanding judge."

Not just because you have already supported me with the highest number of votes in the March primary.

Not just because I have both criminal and civil experience, having practiced as a trial attorney, a Special Assistant Deputy District Attorney in Orange County, and as a partner in the Orange County office of Latham & Watkins, a nationally recognized law firm. During my 20 year legal career, my cases have included capital homicides, kidnappings, gang-related cases, family law disputes and complex civil disputes.

Or because I am involved in our community, having served on the boards of charities like Human Options, which helps those affected by domestic violence, and Girls' Inc., which promotes healthy after-school activities among teenage girls.

Or because I have taught law at Chapman University Law School, where President Jim Doti and Law School Dean, Parham Williams, endorse my candidacy.

Ultimately I believe I deserve your vote because, as a committed member of this community and the mother of two children, the proper enforcement of our laws and the safety of our neighborhoods are paramount concerns for me. I support the Three Strikes Law and the death penalty in appropriate cases. I have spent hundreds of hours providing free legal advice to victims of fraud, and I fully support Victims' Rights.

In addition to those above, my endorsements include:

United States Representatives Christopher Cox, Loretta Sanchez and Ed Royce; State Senators Dick Ackerman, Lou Correa, Joe Dunn, and Ross Johnson; Assemblymembers Pat Bates, Bill Campbell, John Campbell and Ken Maddox.

With your vote I will work diligently to support law and order for you and your family.

PUBLIC ADMINISTRATOR

JOHN S. WILLIAMS

AGE: 51

OCCUPATION: Law Enforcement, Administrator, Trustee, South O.C. Comm. College District/Businessman

I believe the Public Administrator's office must fight to enact stronger safeguards protecting the public, especially Senior citizens.

The Public Administrator should be an advocate for all persons in Probate.

Traditionally, the Public Administrator and Public Guardian have been one person. This combination can help prevent in Orange County the abuses occurring in Riverside County where a conservator, her attorney and the judge hearing the cases stole millions from defenseless Senior Citizens under their care.

If elected Public Administrator, I'll support the 2001 Orange County Grand Jury recommendations for criminal background checks on all potential conservators.

I'm the only candidate for Public Administrator endorsed by Sheriff Mike Carona and the Peace Officers Research Association of California (PORAC).

I'm a 20+ year career police officer/law enforcement administrator – administered safety/security – Santa Ana Courthouse.

My concern is for public risk when anyone, without qualifications, training, accountability can be appointed court conservator gaining control over private bank accounts/property/assets of the elderly, infirm, disabled.

In addition to my law career, I'm a 3-term community college trustee/board president, elected by voters (1992, 1996, 2000) to oversee 2 college campuses, 2,000 employees, 35,000 students, \$150 million budget.

As a college trustee, I've served on the Orange County Legislative Task Force and California Commission on Legislation and Finance.

I earned a Master's Degree in Public Administration – Pepperdine University.

Endorsements include Police/Fire Associations from; Anaheim, Brea, Costa Mesa, Cypress, Fullerton, Garden Grove, Huntington Beach, Irvine, Laguna Beach, Newport Beach Police, Fire, Marine Safety, Orange, Placentia, Santa Ana, Seal Beach, University Police, Westminster, Orange County Fire Authority, Probation, Sheriff Special Officers.

DIANA HUDSON

OCCUPATION: Businesswoman, Wife and Devoted Mother

My husband and I moved to Yorba Linda seven years ago with our children, Kristopher and Briana. We had one goal in mind, to raise our children in a safe community with a rural/equestrian quality of life.

During those seven years we have seen that there is a need for a council that serves the best interest of the people, with honor. A public servant should be just that, one that puts the peoples needs before their own.

I offer myself for service on the council to represent the people. To diligently listen to your needs and concerns, and make the difficult decisions necessary to maintain Yorba Linda as the, Land of Gracious Living.

My business experience includes 22 years in the healthcare industry. Service is my niche, taking care of the needs of others is my passion.

I am committed to supporting the development of Yorba Linda High School. I am committed to improving public safety. I am committed to supporting and improving our existing retail and professional centers before considering new commercial developments. I will work tirelessly to control new residential and commercial developments, and see that they do not negatively impact our existing public roads, parks and infrastructure.

ROBERT POTTER

OCCUPATION: Chemist

I have been a resident of Yorba Linda for several years and have become familiar with the city, its residents, and City Council. I have grown up surrounded by people interested in the city and how it is run. I believe the City Council should represent the people of the city and that the residents and their ideas are a valuable part of any decision that is made regardless of my opinion on the situation.

There have been many situations in past City Council meetings that did not hold the city residents and their ideas as important. The council had preconceived ideas and did not hold the residents' voices in the high esteem that they deserved.

The residents need someone who will listen to them in a respectful manner and someone who does not appear too above them and not deliver condescending remarks, which undermines any solutions, which will be satisfactory to either party in solving problems.

I am the most qualified candidate because I have learned problem solving techniques and strategies that will help me work with the present City Council members and the community to portray Yorba Linda as a community which respects each and every resident.

MICHAEL A. BURNS

AGE: 39

OCCUPATION: Software Engineer

The City of Yorba Linda is where my wife and I have chosen to raise our two children and, as of the writing of this statement, our two nieces. We are active participants in our community—we attend Church, coach basketball, and our children play soccer, all in the City of Yorba Linda. I serve as Treasurer on our Homeowners Association Board of Directors. Our lives are in Yorba Linda!

As a City Council Member, I will strive to maintain the high standards that make the city of Yorba Linda 'The Land of Gracious Living'. The growth of our city is inevitable. However, we can manage the growth so we do not lose the 'country-like' atmosphere.

As a City Council Member, I will manage 'your' money responsibly. We have seen some abuses over the last several years and I am thankful that those abuses were discovered. However, we need to take steps to 'prevent' such abuses in the future with greater oversight by the City Council.

As a City Council Member, I will represent 'you', the citizens of this city. Your voice will be heard!

Please vote for Michael Burns on November 5, 2002.

WALTER S. BRUCKNER

OCCUPATION: Manufacturers' Agent

My wife and I have lived in Yorba Linda for over 22 years. Our children are both graduates of Esperanza. I have become increasingly concerned about several issues:

Expensive legal suits between the city and the school district which need to be halted immediately and a new high school built

Excessive costs of city projects, such as Black Gold Golf Course originally estimated to be \$11-\$15 million which will eventually cost over \$30 million with limited earnings potential

Need for management audits to prevent repetition of "Simonian Affair"

Developer money supporting candidates who constantly vote density increases and General Plan changes

Bankrupt Adelphia Cable T.V. contract needing termination and refunds issued to subscribers

I hold a B.A. from Long Island University and an M.B.A. from the Wharton School, University of Pennsylvania. My service to this community includes serving on the boards of directors of East Lake Homeowners Association, the Organization of Unified and Concerned Homeowners, the Yorba Linda Interfaith Council, and as an active city council watcher.

Yorba Linda needs a new face on our city council to solve these issues, not faces from the past 12 years. I hope you will agree on election day.

AGE: 50

I've run a business in Yorba Linda since 1985 and served the Chamber of Commerce as President. I was also very involved in the PTA at Linda Vista and Yorba Linda Middle School. My wife and I belong to Yorba Linda Presbyterian Church where I have served as Moderator of the Deacons, choir member and Elder. I have considered running for Council in the past but felt my calling was elsewhere. Recently this has changed. Developments over the years have culminated in my desire to run. I feel very strongly that there are a number of areas where I can positively influence this Council. My goals include:

- Encourage the School District to plan school sites to coincide with growth
- Help to make our building department more "user friendly"
- Promote communication and cooperation with our police department
- Lead by example when it comes to professionalism and conduct at Council meetings
- Blend controlled growth with a semi-rural environment
- Create projects that develop wider uses of recreational facilities
- Negotiate not litigate

I hope that you will identify with these goals and give me the opportunity to accomplish them by voting Lee Snyder for City Council.

OCCUPATION: Councilman/Urban Planner/Businessowner

AGE: 44

As current Councilman and former Mayor, I have worked hard to bring common sense, fairness and objectivity back to City Hall.

Two years ago you elected me to fill a vacancy on the Yorba Linda City Council. At that time, our city was in turmoil and politics had gotten in the way of good City business.

Since then, much progress has been made. We have resolved our former City Manager situation, renewed our contract with the Brea Police, implemented Imperial Highway and other roadway and landscape improvements and selected highly qualified residents for various City Commissions.

We have initiated important park projects, completed Black Gold Golf Club, and ensured our fiscal strength by bringing in new businesses and commercial enterprises.

I have consistently voted to maintain our low-density General Plan and have worked to promote solutions with the Placentia-Yorba Linda School District to resolve interagency differences.

My wife Margie and I have twin boys, Tommy and Robert, who attend local schools and are active in youth sports. We care about Yorba Linda's future.

I am proud to be supported by Congressman Miller, Senator Ackerman, Assemblywoman Daucher, and many local law enforcement professionals.

COUNTY OF ORANGE
IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE A

The proposed ordinance would repeal the existing Orange County Campaign Reform Ordinance, and reenact it with certain changes. The significant changes are indicated in *italic type* below.

The proposed ordinance would prohibit campaign contributions for County office in excess of \$1,000 for each of the following elections: primary, general, special, or recall. The same limits would be imposed on contributions to persons or committees that make specified independent expenditures in County elections.

In applying the \$1,000 limit, the following contributions would be added together: a sponsored committee and its sponsor; a corporation and an individual who owns a specified controlling interest in the corporation; a partnership and an individual who owns a specified interest in the partnership; entities that share a majority of directors, or multiple officers, or are owned by the same majority shareholder(s), or are parent and subsidiary; *a business entity and an individual connected with that entity who participates in a decision by the entity to make a contribution*; and in most cases, contributions of minors and their parents or guardians. *Contributions of spouses would not be added together. A husband and wife could each contribute \$1,000. A campaign contributor would be required to disclose to the candidate or committee any other contributions made under a different name that are required to be aggregated with the current contribution.*

A County candidate or officeholder could have only one campaign committee and one campaign bank account from which expenditures can be made. There could be no interlocking committees.

Different candidates could not transfer funds between themselves and their committees. *However, a single candidate could transfer funds between his or her own accounts, subject to the contribution limit of \$1,000 per person per election.*

Late independent expenditures would have to be reported to all County candidates running for the office to which the independent expenditure relates. Candidates would be required to file a post-election Campaign Statement within 15 days of an election, and to file required amendments to Campaign Statements by a specified deadline.

The proposed ordinance would prohibit solicitation or receipt of contributions by county officials and employees from persons who have proceedings before those officials or employees. *It would require the Registrar of Voters to provide County candidates and officeholders with a copy of the Campaign Reform Ordinance.*

Violations of the ordinance would be subject to misdemeanor prosecution and civil actions for specified penalties and injunctive relief. *In addition, the Board of Supervisors could establish an administrative procedure for the resolution of alleged violations and the collection of specified penalties.*

The ordinance could be repealed or amended only by a majority vote of the County electorate, except that the Board of Supervisors could impose additional requirements. *The Board of Supervisors would no longer have the power to adjust the contribution limitations for changes in the consumer price index.*

The above statement is an impartial analysis of Measure A. If you desire a copy of the Measure, please call the Registrar of Voters office at (714) 567-7600 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE A

Measure A is a revision to the County's Campaign Reform Ordinance, also known as the TIN CUP ordinance initially enacted in 1978.

Measure A WILL NOT change the current contribution limit of \$1000 per person per election. It will, however, prohibit the Board of Supervisors from increasing the contribution limit in the future without voter approval.

TIN CUP is the most successful local campaign contribution ordinance in the State of California. The law works so well, you never hear any complaint about it. However, experience and recent court decisions have made it necessary to make revisions in order to improve its effectiveness and enforceability. The areas of improvement consist of preventing evasion of the contribution limit by State Mailer Organizations and other entities making independent expenditures.

The reporting requirements are also being increased. For the first time, candidates running in an election will be required to file a timely post-election campaign statement disclosing campaign contributions and expenditures made just before and just after election day.

Voters throughout the county and the state have consistently supported contribution limits. Runaway election costs have been deterred by limiting contributions from individuals, businesses, political action committees, and other third parties. The limit has been particularly beneficial to those entities seeking contracts, permits and project approvals with the County because they are no longer subject to requests for **unlimited** campaign donations. It has also caused candidates running for County office to broaden their financial base by seeking more, but smaller, contributions from their constituents, which gives the general public a bigger voice in the election of county officials.

Measure A is the best means we have to minimize the influence of large campaign contributions on decisions made by our elected officials.

We urge every voter to vote YES on Measure A.

**COUNTY OF ORANGE
IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE B**

This measure asks the voters to advise the County Board of Supervisors whether the Board should demand from the Department of the Navy as the present owner of the real property formerly operated as Marine Corps Air Station (MCAS), El Toro, that, prior to transfer of ownership or sale of the former Marine Corps Air Station at El Toro, the Department of the Navy:

1. Provide a complete and thorough study of the toxic contamination found or expected to be found at MCAS El Toro that addresses the inconsistent findings of the prior studies provided by the Department of the Navy, the County's GeoSyntec report, and the referenced City of Irvine study;
2. Provide funding to pay for remediation costs necessary for MCAS El Toro's intended use, including identification of funds to complete removal of all toxic contamination;
3. Identify funds to reimburse the community for any direct or consequential damages or costs the community incurs as a result of contamination; and
4. Complete the actual clean up and remediation of MCAS El Toro prior to its transfer or sale.

As an advisory measure, this measure would have no legal force or mandatory effect. If approved by the voters, the measure would advise the Board of Supervisors that the voters desire that the Board make the demands noted above. It would not require the Board of Supervisors to make the demands, or the Department of the Navy to comply with the demands, if made.

A yes vote indicates that the voter desires that the Board of Supervisors make the specified demands.

**FISCAL IMPACT STATEMENT
MEASURE B**

Fiscal Impact Statement Pursuant to Section 9160 of the Elections Code Regarding the Advisory Measure Concerning Clean Up of Toxic Contamination/Carcinogenic Pollutants and Public Health and Safety at MCAS, El Toro

Because this measure is advisory, it is not binding on the Board of Supervisors to make the demands it provides, nor does it require the Department of the Navy to comply with those demands, if made. Accordingly, there is no direct fiscal effect to the general fund of the County of Orange. However, if the demands were made and the Navy complied, the stream of property tax revenues that may occur due to development would be less subject to risk. Realization of these revenues could be postponed due to delays in the development resulting from the discovery of previously unknown contaminants. Neither the value of these potential tax revenues nor the likelihood of uncovering additional contaminants can be reasonably estimated at this time.

s/ David E. Sundstrom, CPA
Auditor-Controller

ARGUMENT IN FAVOR OF MEASURE B

Please support the Orange County referendum to encourage the Navy to not sell any of the closed and contaminated MCAS, El Toro until it clean of toxic waste and meanwhile create a self-supporting, self-cleaning, private-sector-economy stimulating, "Bren National Park" that included:

(1) a broad wildlife habitat corridor for the California mountain lion and its food chain... joining:

- (a) Chino Hills State Park,
- (b) Prado Dam Flood Basin,
- (c) Cleveland National Forest,
- (d) Don Bren 53,000 acre "nature preserves", and
- (e) Crystal Cove State Park

(2) a lease-paying, five-star luxury California Mission style destination-resort/lodge concession,

(3) a lease-paying university concession, e.g. managed by Fullerton Junior College,

(4) a lease-paying reasonable-international-nonintrusive-"V" configuration-airport (<http://www.ocxeltoro.com>) concession, e.g. managed by Los Angeles World Airports (LAWA) with its international airline treaties,

(5) subsidized low-cost housing and office-space/facilities for:

- (a) park rangers,
- (b) fire fighters,
- (c) university professors & staff
- (c) lodge and airport workers,
- (d) INS and Customs officers,
- (e) federal security inspectors,
- (f) air-cargo sorters/students,
- (g) US Postal Service workers,
- (h) low-paid airport/airline workers and
- (h) the Nature Conservancy managers of the 53,000 acre "Nature Preserve" created by Don Bren in combination with the Cleveland National Forest.

Lease payments from concessions can be split appropriately between the on-going federal Superfund clean-up and water-quality costs; low cost housing subsidies; MCAS, Tustin-Hanger, veteran-museum costs; and the Orange County General Fund for wild-fire protection and local community parks.
